Dear Mrs Karayiannis

UPDATE ON SAFEGUARDING ARRANGEMENTS IN MOVILLA HIGH SCHOOL

In line with the child protection/safeguarding procedures of the Education and Training Inspectorate (ETI), two inspectors returned to Movilla High School on 4 March 2014 as a follow-up to the original inspection; the purpose of the visit was to ensure that the safeguarding issues, raised in the original inspection, had been addressed.

On the basis of the evidence available, the revised arrangements were evaluated as satisfactory. During the interim period, the school had received support from the Curriculum Advisory and Support Service (CASS) Link Officer and Child Protection Officer of the South-Eastern Education and Library Board.

Yours sincerely

ppELIZABETH WELLS (MRS)
