

## An update on the work of ETI: November 2021 – January 2022

The themes identified below are the focus of commissioned work from the Departments for whom we provide inspection services or have been identified as follow-on activity from the findings of a range of previous ETI publications. The evaluation of the Engage II Programme continues across Early Years settings, primary, post-primary and special schools, and EOTAS centres.

Early Years settings and Special Schools	Outdoor Learning Environment
Primary	Reading and Outdoor Play in the Foundation Stage
Post-primary	Learning and Teaching, and Curriculum Provision
Primary and Post-primary	Learning Support Centre Provision in mainstream schools
Schools and EOTAS centres	Approaches and challenges in delivering effective preventative safeguarding practices
Further Education	The work of the Curriculum Hubs
Work-based Learning and European Social Fund	Quality Improvement Planning
Development work	'Empowering Improvement - Stepping Forward Together' Project
Youth work	Youth Voice and Wellbeing
Other commissioned work	College of Agriculture, Food and Rural Enterprise's Business Development Groups

Further details on each of the areas of our work listed above can be found [here](#).
