## **Sustaining Improvement Inspection of Largymore Primary School, Lisburn, County Antrim (401-0743)**

### **Introduction**

The previous inspection in November 2013, evaluated the overall effectiveness of Largymore Primary School as very good<sup>1</sup>. A sustaining improvement inspection (SII) was conducted on 12 June 2017.

Four of the teaching unions which make up the Northern Ireland Teachers' Council (NITC) have declared industrial action primarily in relation to a pay dispute. This includes non-co-operation with the Education and Training Inspectorate (ETI). Prior to the inspection, the school informed the ETI that none of the teachers, including the principal, and none of the governors would be co-operating with the inspectors. The ETI has a statutory duty to monitor, inspect and report on the quality of education under Article 102 of the Education and Libraries (Northern Ireland) Order 1986. Therefore, the inspection proceeded and the following evaluations are based on the evidence as made available at the time of the inspection.

### **Focus of the inspection**

Owing to the school's participation in industrial action:

- the inspection was unable to focus on evaluating the extent to which the school is capable of demonstrating its capacity to effect improvement through self-evaluation and effective school planning; and
- lines of inquiry were not selected by the school from the development plan priorities.

### **Key findings**

The ETI was unable to evaluate:

- the lines of inquiry; and
- the quality of learning and teaching within the classrooms.

### **Safeguarding**

During the inspection, the school did not provide evidence that satisfactory arrangements are in place for safeguarding learners.

### **Conclusion**

Owing to the impact of the action short of strike being taken by the principal and teachers, the ETI is unable to assure parents/carers, the wider school community and stakeholders of the quality of education and safeguarding being provided for the children. The school is a high priority for future inspection with no further notice.

The ETI will also return to the school within six weeks to monitor and report on the arrangements for safeguarding.

---

<sup>1</sup> From September 2015, the overall effectiveness of a school evaluated previously as outstanding or very good has been reported as a school demonstrating a high level of capacity for sustained improvement.

## **ADDENDUM TO THE REPORT ON THE SUSTAINING IMPROVEMENT INSPECTION OF LARGYMORE PRIMARY SCHOOL, IN JUNE 2017**

### **SAFEGUARDING**

The ETI returned to the school on 13 September 2017 to monitor and report on arrangements for safeguarding.

The purpose of the visit was to provide the school with a further opportunity to provide evidence on its arrangements for safeguarding. Owing to action short of strike, the school did not provide evidence that satisfactory arrangements were in place at the time of the Sustaining Improvement Inspection on 12 June 2017.

During the follow-up visit, the school provided evidence that arrangements for safeguarding reflect broadly the guidance issued by the Department of Education.

Owing to the ongoing action short of strike, the ETI was unable to evaluate fully (including discussion with the children) the outworking of the arrangements for safeguarding in the school.
