SPECIALIST SCHOOL BASELINE INSPECTION OF ULIDIA INTEGRATED COLLEGE, CARRICKFERGUS, CO ANTRIM, BT38 7JL (326-0299)

The Education and Training Inspectorate (Inspectorate) carried out an inspection of Visual and Performing Arts as part of the above survey in Ulidia Integrated College, Carrickfergus on 2 February 2009.

The school has identified appropriate and measurable targets for improvement to demonstrate:

- that the Visual and Performing Arts is an area of clear curricular strength, which has rising levels of attainment;
- how the strengths in the Visual and Performing Arts have the potential to promote quality teaching and learning and whole-school development;
- how they will make effective use of the Visual and Performing Arts to develop existing links with other schools, and the wider community; and
- how they have used specialist schools funding to enhance the learning experiences of the pupils.

For the purpose of showing improvement the school needs to review:

- the targets set in order to demonstrate more clearly whole-school improvements; and
- how they will use the Visual and Performing Arts to develop further links with colleges of further education, and the business community.

The Inspectorate will continue to monitor the work of the school as part of the Specialist Schools' programme.
